Complete **both** sides of this form. This application for injunctive relief is not an improper practice charge. Your application for injunctive relief must include a copy of the improper practice charge that you have **separately filed** with the Director of Public Employment Practices and Representation under the Board's Rules. File the original and two copies of this form and all attachments with the Office of Counsel, New York State Public Employment Relations Board, PO BOX 2074, ESP AGENCY BLDG 2, FLS 18 & 20, ALBANY, New York, 12220-0074. Please Note: In Item 4 below, you must identify the public employers and/or employee organizations against whom your separately filed charge is brought, as well as any public employer identified in that charge because it alleges a violation of Civil Service Law §209-a.2(c) based on an employee organization's processing of or failure to process a claim that the public employer breached its agreement with that employee organization. If you need more space for any item, use the additional space on the back and number that item the same. Your application must include proof that complete copies have already been **received** by all other parties.
